Chest Falls Short

By \$1,763; Stiver to Head '64 Fund Campaign

Salem's United Fund drive came within \$1,763 of reaching the \$86,250 goal, it was reported Tuesday evening when the Community Chest Association officers and directors met at the Chamber of Commerce rooms.

The final report of Chairman Ray Reasbeck showed a total of \$84,487 in cash and pledges.

Of this amount, the Red Cross will receive \$21,334 and the \$59,753 balance will be divided among the other 11 "red feather" agencies.

The Association voted last night to allocate funds to the agencies on the same basis as last year. Any excess that is collected will be proportioned to the Catholic Charities,

Memorial Building and Salvation Army, which were given increases in early budgeting, reported Association Secretary Byron Maxson.

J. Raymond Stiver, plant manager for the Ohio Bell Telephone Co., was elected 1964 campaign chairman. He served as vice chairman this fall.

Supt. of Schools Paul E. Smith was named president of the Community Chest Association, with Reasbeck as vice president.

Smith succeeds James Schaefer and Horace Schwartz, who shared the office of president during the past year.

Orelin Naragon was re-elected treasurer and Donald Vincent,

assistant treasurer.

Elected last night as members-at-large of the Chest Association were Atty. George Bowman, Miss Katherine Gibson and Dr. G. A. Roose. Hold-over directors are Mrs. Victor Zerbs, Sr., James G. Aldom, Peter C. Johnson, George Bailie, Jr., Charles D. Schaeffer and Roland F. Webber.

Columbiana Levy Defeat Confirmed

Defeat of a 3-mill operating levy in the Columbiana village exempted school district was confirmed when the County Election Board completed a recount Tuesday afternoon on the Nov. 5 election returns from 10 of the districts 15 precincts.

The margin of defeat was widened to 15, compared with 11 in the official canvass of returns. The recount dropped two favorable votes and added two in opposition.

The over-all total, taking into account the figures produced by the recount, now are:

For the levy	904
Against levy	919

Official canvass figures had showed 906 in favor of the levy and 917 opposed.

Of the 10 precincts recounted yesterday, the original count showed 825 in favor of the levy and 869 opposed. In the new tabulation, the count changed to 823 in favor of the levy and 871 opposed. Fifty-eight other ballots were not marked at all.

After the recount confirmed defeat of the measure, School Supt. D. W. Bailey commented it would mean a loss of approximately \$50,000 a year to the school district. He observed the recount throughout as one of the committee which had petitioned for the check.

The new tabulation was completed at 3:45 p.m. Representing the Election Board were Carl L. Stacey of Columbiana, chairman and one of the Democratic members, and Atty. Charles A. Pike of Lisbon and Atty. James L. McSweeney of Wellsville, the Republican members. Don Gosney of Columbiana, the second Democratic member, could not attend because he was in Washington.

The recount covered all eight village precincts, plus the North and Northeast Precincts of Fairfield Township.

No votes were cast on the issue in the Center Precinct of

Fairfield Township. The other precincts in the school district lie in Mahoning County. Their returns were not recounted.

The recount showed changes only in Precinct B of the village and the Northeast Precinct of Fairfield Township. In both in-

7 Columbiana Sewage Bids Are Studied

COLUMBIANA — Norman Hatch, engineer with the firm of Burgess and Niple of Columbus was present at a special Village Council meeting Tuesday to discuss the bids which were opened Nov. 20 for the building and material of the sewage disposal plant and interceptor sewer.

The lowest bid of the seven received for construction of the building was allowed to be withdrawn because a major item had been omitted from the total tabulation.

Next in order, W. B. Gibson of Warren was apparent low bidder for construction of the building with a bid of \$317,830.

Other bids received on the construction were: A. P. O'Horo of Youngstown, \$324,917; Poling and Bacon Construction Co. of Youngstown, \$382,900; William E. Downie Co. of Poland, \$411,936; Porterfield Binger Construction Co. of Youngstown, \$414,404; and Earl H. Newell and Sons of Columbiana, \$418,162.

Of the 11 bids received for the interceptor sewer project, the Poland Contracting Corp. was apparent low bidder with a bid of \$96,838, using vitrified pipe and brick manholes. An alternate bid of \$92,082.50, using concrete pipe and pre-cast manholes was also submitted by the same firm.

The interceptor sewer bid was \$21,000 under the estimated cost of \$124,600.

Total estimated cost of the project, following receipt of the bids, is \$476,400, according to Hatch. He also stated that approximately 50 per cent of the project, which is expected to be completed within a year, must be underway before the government will add its \$238,000 or half, to the cost of construction.

In a further statement, Hatch said he would not recommend lowering the sewer rates, at least until the project is completed, as the amount allowed to accumulate in the sewer fund will enable the village to circulate bonds for a lesser amount over a shorter period of time, thus ultimately saving the village a sizeable amount in in-

Ruby's Trial Set for Dec. 9

Death Penalty Will Be Sought

DALLAS, Tex. (AP) — Jack Ruby, who shot the accused assassin of President John F. Kennedy as thousands watched on television, may go to trial on a murder charge within two weeks.

County grand jurors indicted Ruby Tuesday in the shooting of Lee Harvey Oswald. Ruby's trial is tentatively set for Dec. 9.

Dist. Atty. Henry Wade said he will ask the death penalty. Defense lawyer Tom Howard of Dallas said the highly emotional Ruby had settled down somewhat since the shooting in the City Hall basement as police started to move Oswald to the county jail.

"He was much more calm than he was yesterday," Howard said. "He talked in more normal tones but he is still an excitable person when he talks normally."

The lawyer said Ruby mentioned seeing a picture of Mrs. Kennedy with blood on her dress.

"Tears came to his eyes," Howard said. "He showed tremendous concern for the Kennedys."

Ruby, 52, who owns a downtown strip tease establishment and a dance hall in Dallas, told Howard he stopped Sunday at the spot where Kennedy was shot two days earlier. This was shortly before Ruby went on to the city jail where Oswald was killed.

Ruby, known to many Dallas policemen, waited outside the jail with newsmen Sunday. As Oswald was being escorted to an armored car, Ruby lunged from the crowd and fired.

Texas Atty. Gen. Waggoner Carr and a congressional committee have ordered probes of both the Kennedy and Oswald slayings.

Howard said he knew of no

Ruling Permits Elimination Of Railroad Firemen's Jobs

WASHINGTON (AP) — The long strike-threatened railroad dispute rolled toward the courts today and a new legal tangle over an arbitration ruling permitting the elimination of thousands of firemen's jobs.

The ruling handed down Tuesday by a special panel, was ordered by Congress to forestall a nationwide strike last August and settle the key issues in the union-railroad struggle over work rules.

Two of the unions announced they will challenge the arbitration decision and its legal basis in the courts.

Thus a new snarl appeared to be added to the four-year dispute, and negotiations on what Congress figured were secondary also have bogged down. Each side blamed the other for the lack of progress in the talks, which cover such matters as wages.

The arbitration board had two issues to deal with—the firemen's jobs and the size of train crews.

It ruled that the carriers can gradually eliminate as unnecessary 90 per cent of the firemen on diesel freight and yard engines—about 30,000 jobs.

The train crew issue was turned back to the parties for

further negotiations. The board, however, provided machinery for binding decisions on a local basis, supervised by the National Mediation Board, in situations where agreements can't be reached.

The arbitration award, as Congress wrote the law, would be binding for two years.

But other provisions of the law expire Feb. 25 and could lead to a new strike threat if there is no agreement on other issues such as wages.

Union spokesman H. E. Gilbert said the railroads' proposal to "cut pay 33 1-3 per cent" by

Johnson Speaks to Joint Session Of Congress

WASHINGTON (AP) — President Johnson told the nation and the world today that the ideas and ideals of John F. Kennedy "must and will be translated into effective action."

The new President appealed at the same time for "an end to the teaching and preaching of hate and evil and violence."

In a 1,500-word address prepared for a joint session of the Senate and House, Johnson specifically called for early congressional action to set up new civil rights safeguards and enact an \$11-billion tax cut.

"No memorial oration or eulogy, could more eloquently honor President Kennedy's memory than the earliest possible passage of the civil rights bill for which he fought," Johnson said.

And he said, "No act of ours could more fittingly continue the work of President Kennedy than the earliest passage of the tax bill for which he sought."

The new chief executive said: "This is no time for delay—it is a time for action."

Johnson opened his address by saying: "All I have I would have given gladly not to be standing here today."

Johnson, who called the assassination of President Kennedy "the foulest deed of our time," declared that Kennedy must be commemorated in actions.

"Our most immediate tasks," Johnson said, "are here on this hill," meaning in Congress.

Johnson appealed for United effort by a nation that goes forward "in action, in tolerance and mutual understanding." In one of his most emotional passages Johnson asserted:

"The time has come for Americans of all races and creeds and political beliefs to understand and respect one another. Let us put an end to the teaching and preaching of hate and evil and violence. Let us turn away from the fanatics of the far left and the far right, from the apostles of bitterness and bigotry, from those defiant of law, and those who pour venom into our nation's bloodstream."

Johnson expressed the hope that "the tragedy and torment of these terrible days will bind us together in new fellowship."

"Let us here highly resolve," he said, "that John Fitzgerald Kennedy did not live or die in vain. And on this Thanksgiving eve, as we gather together to ask the Lord's blessing let us unite in those familiar and cherished words: 'America, America. God shed his grace on thee and crown thy good with brotherhood from sea to shining sea.'"

Johnson, the first southern president since Andrew Johnson succeeded the assassinated Abraham Lincoln, left no doubt about his commitment to the cause of civil rights.

"We have talked long enough in this country about equal rights," he said. "We have

talked for 100 years or more. Yes, it is time now to write the next chapter—and to write it in the books of law."

Johnson called upon the Congress to enact a civil rights bill that will help "eliminate from this nation every trace of discrimination and oppression based upon race or color."

He said there could be no greater source of strength to

Judges Ponder Domer's Fate

Canton Murder Trial Concludes

CANTON, Ohio (AP)—Whether Robert K. Domer, 43-year-old Canton businessman, should live or die was being considered today by a three-judge panel that heard his 19-day first-degree murder trial.

In closing statements Tuesday, Stark County Prosecutor Norman J. Putnam and his assistant, David Dowd Jr., asked for the death penalty, saying Domer burned Howard F. Riddle, 45-year-old Akron fruit peddler, to death in Domer's car April 23. They contend he did so to take his own death so his beneficiaries could collect \$288,000 in life insurance.

A verdict by Common Pleas Court judges George N. Graham, John Rossetti and Paul G. Weber was not expected before Friday. Judge Graham said the case was being taken under advisement. A verdict requires agreement of only two of the judges.

Defense counsel Harry W. Schmuck and Sherlock H. Evans contended in their closing statements that the Canton lawyer and investment broker was innocent.

Final arguments dealt primarily

Woman At Columbiana Is Assaulted

COLUMBIANA — A 69-year-old Columbiana area widow who lives alone on RD 1, in Mahoning County, was beaten about the head and criminally assaulted in her bedroom by a youth Tuesday night about 10:30.

She was treated at Salem City Hospital for facial bruises received when the young man struck her repeatedly with his fists.

She told investigators from the Mahoning County sheriff's office she had returned from church at 9:30 and was watching television when she heard a noise coming from the direction of the bedroom in the one-story house. As she went to investigate, the intruder stepped from the bathroom near the bedroom and grabbed her from behind.

The attacker, estimated to be in his early 20's by the victim, fled through the bathroom window through which he had entered after taking a ladder from the woman's garage.

A car which the youth may have been driving, described as a 1957 Ford with a broken tail light, is being sought. The car was reportedly seen backing out across the road from the widow's home and headed toward Columbiana County.

Ohio Faces Truck Tax Difficulties

COLUMBUS, Ohio (AP) — When a temporary truce ends and Ohio starts canceling truck licensing reciprocity with some states, "all hell is going to break loose," Atty. Gen. William B. Saxbe predicts.

Saxbe offered the forecast Tuesday while testifying before a committee of state lawmakers. They are studying the matter of retaliation against Ohio trucks by other states because of the axle-mile tax Ohio passed 10 years ago to aid highway construction.

While continuing to refuse to excuse any out-of-state truck of three or more axles (except

government vehicles) from the tax, Ohio's legislature earlier this year set up a Reciprocity Board and called for issuing reciprocity certificates.

But if no agreement can be reached in the next few months with states which have been retaliating against Ohio truckers (through permits, fees, etc.), the legislature says: "No reciprocity with them."

And that would mean truckers from those states would have to buy Ohio license plates.

If Ohio and other states cannot resolve their differences, Saxbe said, it "may be that the federal government will have to intervene, something we don't want."

As a result of the situation, the attorney general said, there is a problem "in attracting new trucking industries to Ohio and keeping the ones we have."

Donald B. Smith, managing director of the Ohio Trucking Association, made up of about a thousand trucking firms, told the committee:

"There is only one cause of Ohio's reciprocity problems—the axle-mile tax — and this should not be ignored in seeking solutions to the problem. The trucking industry is willing to pay its share of the highway building program, but truly needs relief from the method now being used and the problems it creates for our industry in other states."

Rep. Gail W. Porterfield, R-Knox, wondered if Ohio truckers had considered paying by some means themselves the \$18 million which the tax produces annually.

"We do not have the solution at this time," Smith said. "We hope to come up with several suggestions."

The committee, which reports to the 1965 legislature, will meet again in January to hear out-of-state truckers.

COLOR CHANGE

So you're thinking of changing your hair color? Before you run the wrong who is piling into the hair salon, let's review your color consciousness. Dark hair, the dark brown and black, tend to emphasize an aging skin or lack of perfect complexion. They are usually flattering only to young faces with the clearest of complexions. For "forty-plus" women, who are modifying their hair shades, pale blondes, light browns, and true blondes offer the prettiest play. A change of hair color requires the services of a competent technician.

Jackie Takes Caroline to JFK's Grave

WASHINGTON (AP) — The last of thousands had left Arlington National Cemetery when Jacqueline Kennedy, accompanied by her daughter Caroline, trudged up the slope to the grave of her husband.

It was Mrs. Kennedy's third appearance on the hillside overlooking Washington where President John F. Kennedy is buried among the nation's war dead. It was Caroline's first.

After Monday's graveside services, Mrs. Kennedy returned just before midnight with the late President's brother, Atty. Gen. Robert F. Kennedy, to place flowers there.

At 5 p.m. Tuesday after the mighty and the humble had made a silent pilgrimage, the cemetery was closed to the public. About two hours later, Mrs. Kennedy appeared with Caroline. They stayed about 10 minutes.

Thursday, Mrs. Kennedy keeps alive a family tradition for Caroline, 6 today and John Jr., 3, taking them to their grandparents' home on Cape Cod for Thanksgiving.

The grieving Kennedy family will gather as they have for years at the big oceanfront home of the late President's father and mother, Mr. and Mrs. Joseph P. Kennedy, at Hyannis Port, Mass.

Mrs. Kennedy and the children will fly to Cape Cod on Thanksgiving morning aboard the Kennedy family plane "Caroline."

She will stay over the holiday weekend, returning to the White House Monday to complete plans for moving out to make way for the family of President Johnson.

Presidential press secretary Pierre Salinger said Mrs. Kennedy will probably finish moving Thursday of next week. It is expected she will take up residence in Washington.

Before they came to the White House in January 1961, the Kennedys lived in a narrow red brick house in Georgetown.

Ex-Law Director Acquitted by Jury

CLEVELAND (AP)—A federal court jury acquitted Samuel S. Fekett, former Youngstown city law director, today of charges he extorted or attempted to extort money from contractors doing business with the City of Youngstown in 1960.

The jury of seven men and five women deliberated only a half hour.

U. S. District Court Judge James C. Connell said the jury had done the only thing which it could do in the case because, he said, the prosecution had from the beginning failed to establish an important element of the case.

Judge Connell, in an 80-minute charge to the jury had charges would be in a state and not a federal court if they were not based on an allegation of willful interference or attempt at interference with interstate commerce. The judge indicated in charging the jury that he felt the prosecution had stressed that the extortion slighted the interstate-commerce angle in presenting its case.

Fekett admitted under cross-examination last week that he accepted a \$752 check from Nick Di Margio, an engineer for the Syro Steel Co. of Girard, and that the money was for legal work. The former law director said, however, he had no records of performing any legal work for Syro Steel.

Hints from Heloise

— By Heloise Cruse —

Dear Heloise: We are a family of six, so quite a few one-half gallon cartons of milk are brought into our home each week.

I wash the cartons out and fill them with water (you can chop the top off, or leave it on). When extra ice is needed I just tear the carton off and have a block of ice for our picnic freezer . . . or you can chip it with an ice pick for table use.

Since we have been getting the plastic coated cartons I cut about two-thirds of the carton off and after washing it thoroughly use this to store leftover foods in. To make a cover, I use foil. I have a dandy ice box dish this way.

When my children play out side they also use these nifty cartons to make their mud pies in . . . not the same ones, however.

MILK CARTON HAPPY.

Gee, I haven't made mud pies in nearly forty years!
HELOISE.

DEAR HELOISE: Try baking

soda to clean those sticky wooden salad bowls. I had the same problem with the woodwork in my home. After trying everything I could think of I finally tried baking soda and it did a terrific job of cleaning and getting rid of grease.

N.N.

DEAR HELOISE: My crystal and glass plates have a horrible film over them. I hesitate to wash them with steel wool. Please tell me what to do.

PERFECTIONIST.

DEAR PERFECTIONIST: NEVER use steel wool on glass or crystal. Put on your rubber gloves (and, ladies, please use rubber gloves for this). Put all your crystal and glass plates in your sink. Put the plug in, sprinkle some soap suds or detergent over the dishes. Turn on your hot water faucet and cover them completely. Let them set until the water is cold. Pull out the plug and rinse the dishes. Mix one-half cup of house-

hold bleach (to at least two, three or four gallons of water . . . whatever your sink holds) and let the dishes set another 10 minutes.

After the water gets cold take a terry cloth wash rag and wash them in this bleach water. After rinsing again, put them back into your sink, put the plug in again and add one-half cup of vinegar. Turn the hot water faucet on and let them soak 10 minutes again.

Wash the dishes as usual in the vinegar water solution. I am sure you will find that ALL of the film and stains are gone! They will shine like a star.

NEVER, NEVER USE THIS METHOD FOR SILVER, ALUMINUM OR ANY ALLOY. Use on glass, crystal and china ONLY.

HELOISE.

LETTER OF LAUGHTER

DEAR HELOISE: My wife has messed up three car fenders in the last year trying to put the car in the garage.

I took some old paint and drew a line on the floor in the middle of the carport, just like the dividing line on a highway. And do you know that for six months now she has not dented a fender?

GEROLD PERRIN.

DEAR HELOISE: Did you know that you could wash dried prunes, put them in a fruit jar, cover with cold water, screw the top on, and put them in your refrigerator for a few days and they will be beautifully soft? These are delicious for breakfast and especially good for the kiddies between meals. No sugar or cooking is necessary at all.

VIVIAN.

I bought some. I tried it. I did it, we ate it! Real good.
HELOISE.

A Damascus resident all his life, he was a member of the Damascus Friends Church and was employed as a welder layout man at the Electric Furnace Company.

Besides his wife he leaves his mother of Damascus; three sons, Mark Alan, Robert Lester, and Thomas Curtis of Damascus; and two sisters, Mrs. Ethel Caldwell of RD 4, Lisbon, and Mrs. Verdena Whitcheer of Damascus. An infant son preceded him in death.

Funeral services will be at 2 p.m. Friday at the Arbaugh-Pearce Funeral Home, with Rev. Edward Escolme and Dr. Walter Williams of Damascus officiating. Burial will be in Damascus Cemetery.

Friends may call Thursday evening at the funeral home.

ily with whether Riddle was dead before being burned in Domer's flaming car, which was discovered April 23 off a country road dividing Stark and Wayne counties.

Putman said the defense failed to refute state testimony from pathologists that tissues in Riddle's charred body had not changed at the time an autopsy was performed about 2 p.m. the day the body was found.

Putman said this evidence "makes the case amazingly simple" since "post-mortem changes begin immediately after death."

Schmuck challenged the two-count indictment, contending it was inconsistent. The indictment charges Domer with deliberate, premeditated murder with malice and abduction resulting in death by incineration — also a first-degree murder count. Domer has pleaded innocent by reason of insanity to each count.

Schmuck said, "If you are going to prove he killed him by incinerating him, how are you going to say he killed him some place else?"

Butler Trustees Discuss Varied Township Problems

The Butler Township Trustees Association has changed its meeting time from 1 p.m. to 10 a.m. on the first and third Mondays of each month.

The action was taken at a special recent session called by president Donald Cameron. A healthy financial picture was painted by Clerk Ernest Moser, who said a third of the total budget of some \$55,000 remained unspent as of Nov. 1.

In other action, the trustees purchased an ash spreader for mounting on a tractor, a new grader tire and four new truck tires.

Cameron and vice president William Hoopes voted in favor of the spreader purchase from Allied Equipment Co. at a cost of \$800, but Albert Althouse opposed the purchase, favoring another similar machine which would cost about \$60 less.

Also discussed was the narrow bridge on the Georgetown Rd. south of Damascus which has drawn considerable criticism from motorists. The trustees will seek an audience with the Board of Columbiana County Commissioners to attempt to work out a solution to the problem. The culvert is narrow and needs to be widened, the trustees said.

Moser told the trustees that after expenses for November and December are paid, a "reasonably good balance" should remain from 1963 to start business with in 1964 until tax money is received, probably in late February.

Moser listed these main reasons for a better financial situation this year than last year at this time:

- (1) Constable Virgil Humphrey's monthly salary was reduced from \$70 to \$25.
- (2) Reduced cost of slag and slag hauling.
- (3) The purchase of truck and tractor tires at state prices, resulting in a discount.
- (4) Purchase of culverts at a lower price.
- (5) Arrangements were made to get ashes for ice control free except for hauling, resulting in a savings of \$2.50 a ton.

Beaver Boosters See Resources Film

Two films from the Ohio Water and Natural Resources Foundation in Columbus were shown when the Beaver Local Booster Club met Tuesday at the high school. Program chairman was Lester Jones.

James McLaughlin, vice president, was in charge of the meeting. The group decided to purchase four by six foot pads at a cost of \$41 each to be used at Beaver Local Public School for the basketball and wrestling teams.

Mrs. Leo Jenkins gave a summary of the seventh annual football banquet held recently. She said expenditures totaled \$213.80 for the event. A vote of thanks was given to Mrs. Jenkins, Mrs. Mildred Hoppel and Mrs. Warren Bradley, Sr., chairmen of the banquet.

It was announced that, to date, there are 412 Booster Club members. The club will launch a drive until the first of the year in hopes of raising the membership to 500.

Bills totaling \$401.80 were approved to be paid.

Refreshments were served by Mr. and Mrs. Robert Osborn. Next meeting will be at 7:30 p.m. Dec. 10 at the high school.

Driver Hurt As Car Strikes Pole

Robert A. Andreas, 55, of New Philadelphia was admitted to Salem City Hospital with injuries received in a one-car mishap Tuesday at 11:25 a.m. on Route 517, six miles north-east of Lisbon.

He is listed in fairly good condition with lacerations of the right knee, forehead and left hand. The State Highway Patrol said Andreas was going east on Route 517, veered off the south side, struck a telephone pole and overturned.

He was cited for speed excessive for conditions.

OK TRAVEL ALLOWANCE

Columbiana County commissioners Tuesday approved travel allowance for Sheriff Russell J. VanFossan and a deputy to attend the Ohio Buckeye Sheriff's Association meeting Dec. 5-6 in Columbus.

County Planning Group's By-Laws Receive Approval

Twelve members of the Columbiana County Regional Planning Commission Tuesday night reviewed articles of cooperation and by-laws of the new organization and recommended their adoption.

The regulations of the commission, tentatively prepared by a special committee, were read by George Steele and George Bloomgren of East Liverpool, committee members.

Some revisions were made, and the articles and by-laws were tentatively approved, and will be submitted to the whole commission at a meeting slated Dec. 16 at Lisbon.

The commission was formed earlier this year to provide a regional planning organization for participating municipalities, townships and the county.

Erwood Calvin of Columbia, Glenn Wright of East Liverpool and Olan Sanor of East Rochester RD 1 were appointed a nominating committee by Walter Hunston, president of the county commissioners, to prepare slates for an election of the commission Dec. 16.

Last night's meeting was held in the county commissioners' office in the Courthouse in Lisbon.

Johnson

the nation both at home and abroad.

Touching upon foreign affairs, Johnson promised the United States "will keep its commitments from South Viet Nam to West Berlin." He added:

"We will be unceasing in the search for peace; resourceful in our pursuit of areas of agreement even with those with whom we differ; and generous and loyal to those who join with us in common cause."

He said "those who test our courage will find it strong and those who seek our friendship will find it honorable."

In a general assertion of foreign policy, Johnson said:

"Let all the world know, and not misunderstand, that I re-dedicate this government to the unwavering support of the United Nations — to the honorable and determined execution of our commitments to our allies — to the maintenance of military strength second to none — to the defense of the strength and stability of the dollar — to the expansion of our foreign trade — to the reinforcement of our programs of mutual assistance and cooperation in Asia and Africa — and to our Alliance For Progress in this hemisphere."

Appealing for help from all Americans in carrying out his new responsibilities, Johnson said:

"An assassin's bullet has thrust upon me the awesome burden of the presidency. I am here today to say that I need your help; I cannot bear this burden alone. I need the help of all Americans."

Declaring that the nation "has experienced a profound shock," Johnson said it is a national duty of this time "to do away with uncertainty and to show that we are capable of decisive action — that from the brutal loss of our leader we will derive not weakness but strength — that we can and will act and act now."

Red Chinese Throw Down Gauntlet

TOKYO (AP) — Red China has thrown down the gauntlet to President Johnson. He faces the prospect of stepped-up warfare in South Viet Nam and Laos and possibly new crises in Korea and Cambodia.

The Peking regime has made it clear it is determined to probe for any sign of U.S. uncertainty or weakness in Asian policy following the death of President Kennedy.

The Chinese swiftly denounced Johnson as a supporter of Kennedy's "various reactionary policies." This has been followed by hostile appraisals of Johnson from North Viet Nam and the pro-Communist Pathet Lao of Laos.

North Korea has not reacted officially to the American change of leadership. But it has stepped up the virulence and volume of its anti-U.S. campaign.

The war in South Viet Nam is a prime proving ground for China's tough revolutionary theories.

North Viet Nam, which directs and assists Communist subversion in the south, quickly announced the fighting would continue as it had when Kennedy was directing U.S. assistance to South Viet Nam's anti-Communist forces.

To underline this threat, the Viet Cong guerrillas mounted powerful attacks on strategic hamlets in the south, dealing the young military regime some of the heaviest blows of the war.

In Laos, the Pathet Lao Tuesday removed all doubts about where its allegiance lies. Once supported by the Russians, it now echoes Peking's line.

The Pathet Lao radio said: "The U.S. imperialists will continue their policy of intervention in Laos and become more inflexible. Under such circumstances the Laotian people should never harbor any illusions about Johnson. No matter who becomes president, the nature of U.S. imperialism remains unchanged and its policy will continue to be aggressive and bellicose."

This means that the Pathet Lao will no longer respond to Soviet attempts to check its aggressive moves.

Kennedy's death was the signal for harsh, new attacks from North Korea.

The North Koreans, without apparent reason, have staged several shooting incidents on the 38th parallel in recent months. Now they may again test military reactions in their sector.

Judge Tobin said the two sentences can be served concurrently.

Congress left wages and some proposed work rules changes to be settled by negotiations between the unions and the 195 railroads involved in the dispute.

Wolfe replied that if the unions did not cooperate in the negotiations, "we will be back where we were in August with the nation disturbed."

Gilbert, president of the AFL-CIO Brotherhood of Locomotive Firemen and Enginemen, and Wolfe are members of the arbitration board.

KILLER DISEASE — Diseases of the heart and circulatory system (cardiovascular) killed nearly four times as many people as cancer in 1962, latest year for which data is available. One out of every two deaths, or 54.3 per cent, were due to this cause. The ranking of the death causes in Newschart was the same for both the age group under 65 and the group 65 and over, except that below the age of 65 diabetes was outranked by suicide and cirrhosis of the liver. Data from National Office of Vital Statistics.

Navy's Roger Staubach Awarded 1963 Heisman Trophy

Only Fourth Junior To Receive Honor

By HERB THOMPSON
ANNAPOLIS, Md. (AP)—Roger Staubach, Navy's exciting quarterback and 1963 Heisman Trophy winner, is a football perfectionist who works as hard keeping his skills sharp as he did in acquiring them.
Almost any afternoon after practice, he can be seen on the field working individually on some phase of his game.
He may be taking handoffs under center, sharpening his passing with two or three receivers who stayed to run a few more patterns, or sprinting to build up wind for those loping, easy runs that are so deceptive and have demolished many enemy defenses this fall.
His favorite pastime during summer leave is passing a football with friends.
"You'd think he was a kid trying to make the team instead of being one of the best football players in the country," an observer said one day recently as Jolly Roger sailed through a few extra wind sprints after practice.

Wins By Wide Margin
The Heisman Trophy board took him out of the class of "one of the best" Tuesday, it voted the long-legged Cincinnati, Ohio, junior the outstanding college football player in the country.

In leading Navy to No. 2 national ranking and an 8-1 season which will be climaxed in a postponed game with Army Dec. 7, he has rolled up 1,738 yards passing and running, passed for seven touchdowns and run for eight.

Staubach was chosen by a wide margin — 517 first place votes to 65 — over Georgia Tech's versatile senior quarterback Billy Lothridge, who placed second.

He is only the fourth junior to win the 29-year-old trophy. The others were Felix (Doc) Blanchard at Army in 1945 and Doak Walker at Southern Methodist in 1948, and Vic Janowicz of Ohio State in 1950.

To Get Award Dec. 4
The 21-year-old midshipman is scheduled to receive the award from the sponsoring Downtown Athletic Club in New York Dec. 4, the same week he leads the bowl-minded Middles against an Army team he made a shambles of as a sophomore last year.

Staubach, whose precision passes, Houdini escapes from tacklers and scrambling runs have made him one of the most exciting players in college football, reacted with typical modesty to announcement of the award.

"The Heisman Trophy is something you hear about in

high school and suddenly it happens to you," he said. "I can hardly believe it... it's something I'll treasure all my life."
"I owe it to everyone," he said, citing coaches from grade school through Wayne Hardin and also the Navy teammates who have thrown so many blocks for him and gotten up to throw them again as he scrambled to set up a pass or take off on an unbelievable run.

Well-Liked Middles
He is immensely popular with his teammates, many of whom have asked him to autograph pictures to send to friends, and with the brigade of midshipmen who cheer every honor that comes his way.

Off the field he is known as a quiet, deeply religious midshipman who attends Catholic mass and communion at 6 a.m. daily and is an average student.

Staubach is Hardin's second Heisman winner in three years. Halfback Joe Bellino, who won it in 1960, was the first Navy player ever to gain the honor.

Cincy's Rose Cops 'Rookie' Award

Learns of Honor While on KP at Ft. Knox

FT. KNOX, Ky. (AP) — Take it from Pvt. Pete Rose, there's nothing like being told you've been named National League Rookie of the Year to wipe away the memory of a long day of KP detail.

"Great!" exclaimed the hustling Cincinnati second baseman, "I thought I had a chance at it."

"And I don't believe in all that stuff about the sophomore jinx. I'm going to try to bat .300 and be the next Sophomore of the Year," he added.

Rose had gotten up for a KP detail at 3 a.m. Tuesday, the day the award was announced.

Rose, a member of the Ohio National Guard in Army basic training, had 170 hits, including 26 doubles, nine triples and six home runs with the Reds last season. He scored 101 runs, drove in 41 and stole 13 bases.

He entered basic training Oct. 30. He will be at Fort Knox until Jan. 18, 1964, then will go to a special school for a month. He will be through with his active requirement in time to miss only about a week of spring training.

Rose, 21, a Cincinnati native played for Macon in the Class A Sally League a year ago.

He became a hallmark of aggressiveness for the Reds this season—appearing in 157 games and batting .273. Defensively, he compiled a fielding mark of .971, which helped impress the panel of 20 sports writers which Tuesday gave him 17 votes.

He topped Ron Hunt, New York Mets' second baseman, who had two votes, and Ray Culp, Philadelphia Phillies' pitcher, who received one vote.

Green Bay, Detroit To Battle Thursday

DETROIT (AP)—The Green Bay Packers are quitting the traditional series of Thanksgiving Day games at Detroit—but the Detroit Lions have one more chance Thursday to spoil a holiday for Packers fans.

The Lions banished Green Bay's holiday cheer last Thanksgiving by dumping the National

Football League's Western Division leaders, 26-14. The Packers still finished first, but the Lions won in embarrassing style, continually throwing quarterback Bart Starr for losses.

Detroit is in a better position to ruin the Packers this season, since a loss would all but knock Green Bay out of the title running.

The Packers, with a 9-2 record, are on the heels of the division-leading Chicago Bears, who have a 9-1-1 mark. They need three victories and a Chicago loss to win the division title.

Claiming that the Thanksgiving Day game at Detroit doesn't give him enough time to get his men ready, Green Bay Coach Vince Lombardi has been trying for years to get out of the game.

He convinced NFL Commissioner Pete Rozelle that after Thursday, the Western Division teams should take turns playing at Detroit on Thanksgiving Day.

The Thanksgiving Day game is the only regular season NFL game which always has played to capacity crowds and a nationwide television audience.

AFL College Draft Set For Saturday

NEW YORK (AP)—A total of 200 collegians, including such eligibles as Navy quarterback Roger Staubach, the 1963 Heisman Trophy winner, and Scott Appleton, outstanding Texas tackle, are expected to be chosen in the American Football League draft Saturday.

There will be 25 rounds with all eight teams drawing in the first round.

Either Denver or Kansas City will have first pick, depending upon the outcome of the Oakland-Denver game, the league's lone Thanksgiving Day encounter.

The selections will be made in inverse order of the standings as of Friday. If Oakland defeats Denver, the Broncos will have first pick. If the Broncos win, Kansas City will make the first choice. New York's Jets will have third pick.

Orioles Trade Gentile to A's For Siebern

By GORDON BEARD
Associated Press Sports Writer

BALTIMORE (AP)—The Baltimore Orioles, willing to sacrifice power for consistent hitting and hustle, have swapped moody slugger Jim Gentile to the Kansas City Athletics in exchange for Norm Siebern.

The Orioles had to sweeten the pot with \$25,000 in cash to swing Tuesday's trade of first basemen, indicating how Gentile's market value has slumped along with his batting average and home runs during the past two seasons.

For the Athletics, striving mightily to add power to their attack, it was the second major deal in the past eight days. On Nov. 18, the A's sent second baseman Jerry Lumpe and pitchers Ed Rakow and Dave Wickersham to Detroit in exchange for slugger Rocky Colavito and pitcher Bob Anderson.

In Kansas City, General Manager Pat Friday of the Athletics said, "You can bet we will be trying to make further trades at the winter meeting. We are looking for a center fielder with power."

After a great 1961 season, when he slugged 46 homers, drove in 141 runs and batted .302, Gentile has slipped to .251 and .248 the past two years. His home run output dropped to 33, and then 24.

The 29-year-old left-handed batter led the club in two unofficial departments — breaking his bat deliberately after striking out and failing to run out grounders and fly balls.

Siebern, 30, and also a left-handed batter, hit 16 homers and drove in 83 runs with a .272 average last season.

New York, Chicago Lead Pro Statistics

NEW YORK (AP) — New York's offense and Chicago's defense continue to dominate the National Football League's weekly team statistics although the Giants were beaten Sunday and the Bears had to scramble for a tie in Pittsburgh.

The Giants have ground out a total offense of 4,051 yards in 11 games.

The Bears gave up 17 points to the Steelers in their tie game but still have allowed only 106 points, less than 10 a game. They have given up 2,507 yards.

Browns to Host Playoffs If...

Rozelle Prepared If Deadlocks Exist

NEW YORK (AP)—The National Football League has rolled out a playoff schedule with 11 different possibilities involving six teams in the event the conference crowns are not decided by the end of the regular season.

One of the possibilities involves the Chicago Bears and Green Bay Packers, running 1-2 in the Western Conference. The other 10 involve the four teams still in contention for the Eastern title—Cleveland, St. Louis and New York, all tied at 8-3, and Pittsburgh, 6-3-2.

If the Bears, 9-1-1, and Packers, 9-2, wind up in a tie, they will play at Green Bay, Dec. 22 for the right to represent the West in the championship game.

All teams have three games remaining.

The Eastern playoff schedule provides for four versions of triple ties and six different combinations for two-way ties. Commissioner Pete Rozelle said a four-way tie was not considered.

If a triple tie results, the championship set for Dec. 29 would be pushed back a week to Sunday, Jan. 5. The game will be played in the home city of the Western champion.

Rozelle drew up the schedule after a long session on the phone with representatives of the six clubs. The club officials made a call on the flip of a coin by league office personnel.

Wilson Honored For Intercepting Tittle's Aerials

By JACK HAND
Associated Press Sports Writer

NEW YORK (AP) — Y. A. Tittle took great pride in his record of only four interceptions in the first 10 games played by the New York Giants. Then Sunday he had two intercepted in the same ball game. Larry Wilson of St. Louis came up with both as the Cardinals upset the Giants 24-17.

As a result of Wilson's fine defensive play in the Cards' deep defense, he was named Player of the Week in the National Football League by The Associated Press.

Wilson's specialty in four years as a safety man in the NFL has been his colorful blitz play from the safety spot. He is a rangy 6-foot, 190-pounder with good speed and quick hands. In his high school days at Rigby, Idaho, he was a fullback. At Utah he was a halfback. The interceptions were his third and fourth of the season.

Don Hultz, Minnesota's rookie from Southern Methodist, also was a candidate for top honors with his two recoveries of Detroit fumbles, tying the NFL record of eight for the season. Tommy Mason scored the clincher in the closing minutes of the Vikings 34-31 victory after Hultz recovered Dan Lewis' fumble. Paul Flatley also had two great catches in the winning drive.

Pentagon Officials Change Date

Army-Navy Game Delayed to Dec. 7

By MIKE RATHET
Associated Press Sports Writer

Army and Navy will meet in their traditional football battle—but a week later than scheduled — and will bring down the curtain on a 10-day period beginning Thanksgiving that figures to find bowl offers frantically flung around the country.

The decision on the Army-Navy game came Tuesday from the Pentagon and overshadowed two other major developments—the naming of Navy's Roger Staubach as the Heisman Trophy winner and Louisiana State University's acceptance of a Bluebonnet Bowl bid.

The Army-Navy game will be pushed back to Dec. 7 — Pearl Harbor Day — in deference to the memory of the late President Kennedy. The Pentagon said the Kennedy family intervened so that the annual service classic would not be canceled.

The official statement said the game will be dedicated to his memory.

Scrambled Bowl Picture
The announcement further scrambled a puzzling major college bowl picture currently filled in at only three spots — top-ranked Texas in the Cotton Bowl seventh-ranked Nebraska in the Orange Bowl and LSU in the Bluebonnet Bowl.

The Thanksgiving Day program and this Saturday's schedule, including many key games that were postponed from last week due to the assassination of President Kennedy, were expected to wrap up most of the holes.

But the Army-Navy postponement complicated the situation.

The second-ranked Middles and Staubach, now dubbed the best player in the country by the Heisman voters, were expected to tangle with Texas in the Cotton Bowl providing they beat Army for the fifth consecutive year.

May Miss Bowl Game
However, their possible participation in a post-season game may have vanished when the postponement appeared. It is believed the sentiment in the Pentagon for cancellation of the game, plus the lengthening of the regular scheduled by a week may rule out a bowl trip for Navy.

It also may rule out a top match-up in the Cotton Bowl. Promoters said Tuesday they will wait until after the Dec. 7 schedule, presumably to get Navy's decision. Their second choice is Pitt, which also plays that Saturday, against Penn State.

Pitt, however, does not have to wait until its final game to make a decision — and might be agreeable to an offer from another major bowl. If Pitt goes elsewhere, then Navy declines, the Cotton Bowl will be lacking a top-flight opponent for the unbeaten and untied Longhorns.

Illinois-Michigan Clash
Meanwhile, Illinois and Michigan State prepared for their Big Ten clash, a Thanksgiving Day battle that will fill one of the Rose Bowl spots. Other bowl candidates also will be in action Thursday, as well as Saturday.

The winner of the Big Ten battle between the fourth-ranked Spartans and eighth-ranked Illinois at East Lansing, Mich., gets a Rose berth against a Big Six opponent which will come out of two Saturday games, Washington at Washington State and Southern California at UCLA.

Washington has the inside track. Also headlining the Thursday program is the meeting between

Texas and arch rival Texas A&M plus games involving bowl hopefuls Syracuse and North Carolina. The Orange, who meet Notre Dame in New York, could wind up in the Gator Bowl against the Tar Heels, who are at Duke.

The Saturday schedule will fill the West Coast Rose Bowl entry and two Orange and Sugar bowl spots. Auburn could grab an Orange berth with a victory over Alabama, another bowl hopeful, while Mississippi likely will be Sugar Bowl host with a victory over Mississippi State.

A Mississippi State victory on the other hand, probably would bring the Bulldogs the berth.

East Palestine Boy Gets BG Grid Honors

BOWLING GREEN, Ohio (AP)—Bowling Green State University selected three captains to guide its 1964 football team during the team's annual banquet Monday night.

The three selected by the players were Jim Wisser of East Palestine, fullback; Jerry Ward of Lima, quarterback, and Tom Reicosky of East Sparta, halfback.

In addition, the squad selected Wisser as the most valuable back, and Bill Violet of Mechanicsburg, a guard, as the most valuable lineman.

Canfield Youth Gets MVP Award at Ohio U.

ATHENS, Ohio (AP) — Halfback Jim Alberts of Canfield has been voted by his teammates the most valuable player on Ohio University's Mid-American Conference championship football team.

Alberts set a conference rushing mark of 604 yards in the season just ended.

Also announced Tuesday night at the Bobcats' annual awards dinner were the co-captains for the 1964 team. They are halfback Ron Curtis of Toledo and Skip Hoover, center linebacker from Pataskala.

A word from THERON at the Country Store

We are going to install some new rest rooms near the restaurant section of the Country Store. Those we have were adequate at the time we went into business but since have become otherwise with our big increase in business.

As a business grows from very small to rather large every department must be enlarged. It would have been nice if we could have built a large place and then worked to fill it up. I like it better the way we did it here. We added as we grew.

Don't stop coming as we run short of space, we will keep adding.

How Lyndon Johnson Reversed Himself On U.S. Vice Presidency

Editor's Note: Following is the hitherto untold story of how Lyndon Baines Johnson took a vice presidential job he had sworn never to accept—and thereby became President of the United States.

PETER EDSON

Newspaper Enterprise Assn. — WASHINGTON — (NEA) — President Lyndon Baines Johnson once said—shortly after he had been sworn in as Vice President in 1961—that he had never expected anyone from the South could ever become President in his lifetime.

The prejudices against the South were too great, he explained. That a man from Texas could ever be put in second place on a presidential ticket and be elected was probably not beyond his hopes, but it certainly was beyond his expectations.

YET NOW, by the cruelest trick of fate, Lyndon Johnson will soon find himself living in the White House. But he would be the last man to want this to come about the way it did. It was a much kinder trick of fate that put Lyndon Johnson on the ticket with John Fitzgerald Kennedy, the man who had just defeated him for the presidential nomination at the 1960 Democratic convention in Los Angeles.

The morning after Kennedy had won, 809 votes to 404 for Johnson, the defeated candidate lay abed in his hotel suite. The phone rang. It was wife, Ladybird, who answered. Kennedy was calling. He wanted to come to see Johnson right away.

Johnson, taking the phone, offered to go to see Kennedy, but Kennedy didn't want it that way.

UNSHAVEN AND unwashed, Johnson stalled the President's call for 45 minutes. But it was an hour and 45 minutes before Kennedy appeared at the Johnson door, followed by a swarm of reporters.

When the two men were alone Kennedy came to the point at once and said he wanted to offer Johnson the vice presidential nomination.

Kennedy wanted a national ticket, he said, representing the whole country. With 1213 of the convention's 1432 votes between them, they were first choices of an overwhelming majority of the delegates.

Johnson demurred. He said that the only thing he was a candidate for at the moment was re-election as U.S. senator from Texas.

Kennedy replied that he had talked to Gov. Dave Lawrence of Pennsylvania, Gov. Mike DiSalle of Ohio, Arthur Goldberg of A.F.L.-C.I.O. and other democratic leaders. They had all approved Johnson for second place on the ticket.

ONE OF THE PRINCIPAL things that made Johnson delay was that the late Speaker Sam Rayburn of Texas, who had nominated Johnson for the presidency, had told him the night before not to take second place on the ticket.

This is contrary to reports published at the time which said Rayburn had suggested to Johnson that he consider running for the vice presidency.

Anyway, Johnson wanted to talk to Rayburn and his other advisers. He asked Kennedy if they could meet again before the night session of the convention when balloting for the vice presidency would begin. Kennedy agreed.

Johnson called in his advisers as soon as he could get them. During this session Robert F. Kennedy came to the Johnson suite to tell him that if he did become a candidate for Vice President, Gov. Mennen Williams of Michigan and some others might oppose him.

This was not a threat to try to force Johnson to withdraw, but simply a friendly warning that he might have opposition.

SPEAKER RAYBURN, who was in the room during Bobby's visit, told him bluntly that Johnson was not a candidate for any office.

The late Senator Robert F. Kerr of Oklahoma, another adviser who was in the room at the time, told Johnson, "If you accept that nomination I'll go get my Winchester and shoot you right between the eyes."

They discussed the situation from every angle. Kerr, leaving the room for a short time, came back to announce, "Lyndon, if you don't accept that nomination I'll go get my Winchester and shoot you right between the eyes."

That was the decision they finally agreed on. They took the position that if LBJ sat out the campaign on his ranch, Nixon might win the presidency. They decided that the best thing Johnson could do was to help

Kennedy win the presidency and keep the Democrats in power.

LYNDON JOHNSON and Ladybird had also talked it over thoroughly between themselves. At first Ladybird was against her husband's accepting the vice presidential nomination. But then they concluded that they wouldn't want people to think that the Johnsons were too uppity to take second place on the ticket.

Later in the afternoon than he had intended to see Johnson, Presidential nominee Kennedy called Johnson on the phone. Kennedy apologized for the delay but said that he had been held up by other appointments.

Mr. Kennedy said that he had prepared a statement which he would like to announce. He read it to Johnson. Johnson approved it. Kennedy said he would announce it immediately.

Johnson walked over to the television, turned it on, and there was Kennedy announcing

that Lyndon Baines Johnson was his choice and had accepted the invitation to share the ticket with him as vice presidential candidate.

AS AN EPILOGUE to this story there is an anecdote about Lyndon Johnson's mother he has told intimate friends.

He remembers her sitting on the edge of his bed one night during the depression, crying her eyes out because her son would never be anything better than a ditch digger.

He had a WPA pick and shovel job at the time he had been in a fight that night and his nose was broken. His mother lamented that her son, with no education, would never amount to anything.

The next morning Lyndon Baines Johnson was on the road, hitchhiking his way to the closest college to enroll. He was on his way—on his way to the White House—though he had no idea then where he was going.

The Doctor Says

By Dr. WAYNE G. BRANDSTADT

The Fruits of Medical Research

We have come a long way since the first Thanksgiving was celebrated by the Pilgrim fathers. In spite of hardships and a high death rate, they found much to be thankful for.

Here are some of the things I think we, in turn, should be truly thankful for: We have almost complete freedom from such scourges of the past as smallpox, typhus, typhoid, bubonic plague (the black death), lockjaw, diphtheria, rabies, scarlet fever and malaria. These have been virtually eliminated through the application of sanitary practices and immunizing vaccines or toxoids.

LET US BE THANKFUL, too, for antibiotics and the many other antimicrobial drugs. Let us be thankful for insulin, cortisone, estrogens and all the other hormones that have done so much to relieve suffering.

Let us be thankful that your doctor is living in an age when new methods of diagnosis and new operative techniques are helping him in many ways to help you. But let us not forget that new drugs and other discoveries are not the whole of medicine.

Let us be especially thankful for the family physician who takes time to listen to your cares and worries and who has the patience to get to know you. Let us be thankful for the family doctor who is not only your physician, but also your friend.

Q—I am a 47-year-old housewife. I have to get up three or four times every night to urinate. My doctor tested my urine and found no sugar. What can I do?

A—Yours is a common complaint. Although I know it is a source of annoyance, you won't die of it. Bladder infection can probably be ruled out, because it would more likely cause you to get up 10 or 12 times a night.

Drinking large quantities of tea, coffee or beer can be a cause. But many persons would rather get up at night than go to bed thirsty.

As we grow older there is a gradual hardening of the arteries and this is often associated with an increase in urination at night. Furthermore, in many persons, nervous tension during waking hours is a factor.

This tension restricts the flow of blood to the kidneys then, when you go to sleep, the blood vessels relax and the kidneys make up for lost time.

Q—What causes Bells palsy and what can be done to prevent it from recurring?

A—Bell's palsy or one-sided facial paralysis may be caused

by exposure to cold, injury, infection, or tumors.

The cause is often hard to determine. It usually clears up spontaneously after several weeks or months and recurrence is rare. In some persons, however, the facial nerve is killed and the condition is permanent.

CANCELS MEETINGS

COLUMBUS, Ohio (AP)—Gov. James A. Rhodes will appear at no political meetings until after Dec. 22 in respect for the late President John F. Kennedy.

A Rhodes aide said Tuesday the governor has canceled about a half dozen engagements made prior to the President's assassination. Rhodes will keep engagements for appearances at business meetings, most of them involving the state's industrial development program, the aide said.

Tightening of Security for Ohio Officials To Be Studied

COLUMBUS, Ohio (AP)—Lt. Gov. John W. Brown says state officials plan to confer on the possible tightening of security measures for Ohio's governor and legislature.

"There is no reason why the governor and the legislature should be subject to harassment," Brown said. His remarks came in the wake of the assassination of President John F. Kennedy and the wounding of Texas Gov. John B. Connally. Brown offered no specific recommendations but said several state officials have had FBI training and are qualified to set up such a program. Brown is a former state highway patrolman.

The Highway Patrol has the job of protecting state officials.

The lieutenant governor—next in line to succeed the governor—said that Rhodes and former chief executives have received threats in various forms.

He recalled recent sit-in, lie-in and marching demonstrations at the Statehouse and at the Governor's Mansion in suburban Bexley, and a shouting demonstration against Rhodes in front of a New York hotel. Rhodes was to address a meeting of

FIVE-ALARM FIRE

CLEVELAND (AP)—A five-alarm fire at 3618-20 Superior Ave. was brought under control Tuesday night after a 1½ hour battle by about 100 firemen.

Firemen said no one was reported injured. James Michaels, assistant fire chief, said the fire caused "a considerable loss," but that it was too early to estimate damage.

FAMILIAR SCENE — Mrs. Margaret Westover of MC 1, Georgetown Rd., rings bell at one of the Salvation Army kettles on downtown Salem streets where passersby may contribute to help the needy at Christmas time.

Salvation Kettles Reappear, Heralding Season's Approach

The season appearance of the Salvation Army "kettles" on downtown street corners again brings to mind the fact there are families in need of assistance if they are to have a Merry Christmas this year.

Last year \$6,000 was collected by the Salvation Army who used it to help 126 families with baskets of food, clothing and 2,500 toys. In addition approximately 500 gifts were distributed in hospitals, rest homes, county home and city and county jails in the northern part of Columbiana County.

Captain Jeanne Manhollan of the Salvation Army points out that the need is even greater this year and already appeals for aid are being received by the citadel. It is hoped that sympathetic, warm-hearted Salernites, aware of the situation will respond generously so that perhaps last year's \$6,000 will be topped.

Capt. Manhollan requests that organizations, clubs and individuals desirous of helping a family at the holiday season please contact the Salvation Army to avoid duplications and omissions, which often result in some getting more than needed and others nothing at all.

Applications for Christmas baskets will be received at the citadel from Dec. 2 through Dec. 19, and those wishing assistance are requested to appear in person for an interview as to the number in the family, children's ages and other pertinent facts. Telephone applications will not be accepted.

Santa's workshop will again be active in the American Legion basement under the direction of John Herman Jr. Those having toys to donate are to take them to the office of the Automobile Club or contact Frank Hoopes, Art Frazier, Clark Tolson or Roger Tuel, who are in charge of the daily collection of toys.

Toys will be repaired and refurbished by Legionnaires in time for Santa's annual visit.
